

CLINICAL INSTRUCTORSHIP

Breast and Gynecologic Pathology

UPMC

LIFE CHANGING MEDICINE

Three Clinical Instructor Positions

Reasons to train at UPMC for Breast and Gynecologic Pathology

1. State-of-the-art facilities: Large academic center with multiple subspecialty-based hospitals
2. 14 board-certified breast/gynecologic pathologists and 2 perinatal pathologists, including many globally recognized contributors to the field
3. Intensive training in complex and challenging cases and intraoperative consultations
4. Widely-implemented electronic medical record systems: access data anytime, anywhere
5. Dedicated clinical instructors' curriculum: case presentations, journal clubs, real-time video conferences and didactic lectures
6. Robust research opportunities: consistently among top institutions for accepted abstracts at national pathology meetings, including USCAP
7. Extensive subspecialty expertise, including molecular diagnostics, genomics and informatics
8. Abundant study set collections, including online cases, virtual slides, and glass slides
9. Affordable, family friendly city with arts and cultural events, athletic events, and outdoor activities
10. More benefits: vacation and conference time
