

CLINICAL INFORMATICS

ACGME ACCREDITED FELLOWSHIP

Pathology Track

UPMC
LIFE CHANGING MEDICINE

Reasons to train at UPMC for Clinical Informatics

1. State-of-the-art opportunities for independent research with faculty mentorship
2. Division of Clinical Informatics' faculty cover all areas of practice, with expertise and electives in Pathology
3. Participation in operations and projects, plus academics, management and vendor meetings
4. Opportunity to gain experience in computing laboratory information systems, electronic records, molecular informatics, digital imaging, telepathology, AI, advanced imaging technology, system implementation, biomedical and research informatics, tissue banking, and vendor interaction, as well as project and quality management
5. Fellows get to collaborate with the University of Pittsburgh's Department of Biomedical Informatics (DBMI)
6. Opportunities for informatics training in the pathology residency course and electives
7. UPMC is among the top pathology institutions for innovation, scholarly activity, publications, and research
8. Located in an affordable, family-friendly city with arts and cultural events, athletic events, and outdoor activities
9. Vacation and conference time, and no on-call, with optional clinical service responsibilities

University of Pittsburgh Medical Center

ACGME ACCREDITED FELLOWSHIP

Pathology Track

PROGRAM SPECIFICS

<i>Number of Approved Positions</i>	<i>1 per year</i>
<i>Program Length & Salary</i>	<i>2 year; annual salary ~\$78,677-90,284 (based on GMT)</i>
<i>Type of Program</i>	<i>Clinical Informatics Fellowship - Pathology Track</i>

Pathology Faculty

<i>Liron Pantanowitz, MD, PhD</i>	<i>Thomas Pearce, MD, PhD</i>	<i>Octavia M. Peck Palmer, PhD</i>
<i>Jeffrey Fine, MD</i>	<i>Kenichi Tamama, MD, PhD</i>	<i>Ibrahim Abukhiran, MD</i>
<i>Sarah Wheeler, PhD</i>	<i>Mike Becich, MD, PhD</i>	<i>Hooman Rashidi, MD</i>

CONTACTS

Dr. Matthew Hanna <i>Associate Program Director</i>	hannamg3@upmc.edu
Donna Demarco <i>Program Coordinator</i>	412-623-8469 demarcodl@upmc.edu

Clinical Informatics Faculty

Gary Fischer, MD, FACP Program Director Medical Director, Ambulatory Clinical Decision Support and Analytics	Robert Bart, MD Chief Medical Information Officer UPMC Heath Services Division
Kristian Feterik, MD, MBA Associate Program Director Medical Director of Enterprise Interoperability	Megan Cortazzo, MD Associate Professor Physical Medicine and Rehabilitation
Louis Leff, MD, MACP Associate Program Director, Clinical Professor of Medicine	Michael J. Curren, MD, MS Medical Director, UPMC, Provider Documentation and EHR Optimization
Harry Hochheiser, PhD Director, Pitt Biomedical Informatics Graduate Training Program	Christopher Deible, MD, PhD Assistant Professor of Radiology, University of Pittsburgh School of Medicine
Kurt Ackerman, MD, PhD Medical Director, Behavioral Health Informatics	Raquel Forsythe, MD Medical Director, eRecord, UPMC Presbyterian
Richard Ambrosino, MD, PhD Medical Director, Clinical Decision Support and Reporting	Robert Handzel, MD, MS Assistant Professor of Surgery, University of Pittsburgh School of Medicine
Jonathan Arnold, MD Assistant Professor of Medicine, University of Pittsburgh School of Medicine	Janel Hanmer, MD, PhD Associate Professor of Medicine, University of Pittsburgh School of Medicine
Suresh Mulukutla, MD Director of Analytics-Cardiology	Christopher M. Horvat, MD, MHA Assistant Prof Critical Care Medicine, Pediatrics & Biomedical Informatics
Kristin Ray, MD, MS Associate Professor of Pediatrics, University of Pittsburgh School of Medicine	Srinivasan Suresh, MD, MBA, FAAP Professor of Pediatrics, University of Pittsburgh School of Medicine
Kelsey Schweiberger, MD, MS Clinical Instructor of Pediatrics, University of Pittsburgh School of Medicine	Shyam Visveswaran Professor, Department of Biomedical Informatics, University of Pittsburgh
Jonathan C. Silverstein, MD, MS, FACS, FACMI Chief Research Informatics Officer, Department of Biomedical Informatics	Glenn Updike, MD Associate Professor of Obstetrics, Gynecology and Reproductive Sciences
David Wolfson, MD, FAAP Clinical Professor of Pediatrics, University of Pittsburgh School of Medicine
